CMC/CWA October 2016

Dear Parent/Carer

Our next collapsed day is being held on Wednesday 2nd November 2016. Formal lessons are suspended for this day.

Year 10 will be focusing on resilience and raising aspirations.

This will include a visit to Plymouth University. This trip will give the students a taster of University life, and hopefully an insight into what is required at University. It will include a tour of the campus, participation in 2 workshops and a talk from the student ambassadors.

We will be travelling by coach and minibus and intend to return to school by 3pm. Full, correct school uniform is to be worn. Please ensure your son/daughter has a coat in case of inclement weather as they will need to go outside around the campus. We are encouraging students to bring a packed lunch on the day as access to food is limited. If your son/daughter is entitled to free school meals this will be provided.

If you have any queries about the day please do not hesitate to contact me at school.

Yours faithfully

Miss C McVicker
