

Year 11 Preparing for Success

Dear Parent/Carer,

I am pleased to announce that the Academy will be holding Year 11's first Preparing for Success workshop for students during the half term break. This will take place in the Main Hall from 9:30am - 12:30pm on Wednesday 27th October. This workshop provides an important opportunity to pass important information to our young people regarding the upcoming mock exams and future assessments.

Revision is key to academic success and this workshop will practically support our young people with: how to revise; suggestions as to what revision techniques work and do not work; and how they can prepare for success - academically and emotionally (well-being / positive life choices). We would therefore encourage your child to attend if possible.

In order for us to plan and prepare resources, I would appreciate students returning the slip below to the Head of Year office (top floor of the new building) by Wednesday 20th October.

All students who attend the Academy are required to wear a face covering in public areas.

Students will not be required to wear Plympton Academy uniform and can bring their own refreshments if they wish. A pencil case of equipment will be essential for the practical activities. Students should enter / exit the Academy site through Reception and sign in upon arrival.

If you have any questions regarding the Preparing for Success workshop, please do not hesitate to get in touch using the email address provided below. Thank you for your ongoing support.

Yours faithfully,

Mrs Kirsty Harvey

Head of Year 11
