

# Extra Curricular Programme

January - April 2022

Dear Student and Parent / Guardians,

This booklet contains an overview of the extra-curricular activities that are available at Plympton Academy. There are over 40 different activities to choose from including subject support sessions; PE / Sport and Performing Arts.

By taking part in an extra-curricular activity, you will be able to develop and practice new skills; make friends with people in different year groups and widen your knowledge about subject areas. We have several new and exciting activities starting this term including Criminology, Crochet, Maths Challenge and Spanish Culture Vultures.

The criminology club is for students in years 9-11 who are addicted to true crime podcasts and tv shows. For those who binge watch true crime documentaries, Ms Caylor will delve deeper into a variety of crimes with you whilst you prepare to take part in the Plymouth University Crime Scene investigations. The crochet club is open to all students and Ms McGlinchey will teach you how to crochet whilst eating biscuits. No prior knowledge of crochet or equipment is required, as everything will be provided. Ms Cunningham will be running the Year 7 and 8 Maths Challenge group on a Wednesday after school, for those students who love mathematical puzzles. Students in years 7 and 8 can spend Friday afternoons with Ms Edwards improving their Spanish whilst learning about the culture - from crazy customs and festivals to music, film and food.

If you would like more information about a particular activity, please speak to the member of staff in charge. If you are unsure who to speak to, please see your Head of Year in the first instance.

Activities start on Monday 17th January and will take place until Friday 8th April. Reminders about each activity will be included in the daily student bulletin. If there is a change to an activity, you will be informed via the bulletin or by the member of staff. Students will be told in advance if they need to bring anything with them. Afternoon activities will run until 4pm unless stated in the booklet. For those involved in Mary Poppins, you will only need to attend according to the rehearsal schedule. The Performing Arts team will be able to give you more information about this. Students will be given as much notice as possible if an activity needs to be cancelled, but please be aware that this might be on the day of the club.

Mr I Hartley

Assistant Principal.
