

Year 8 Spanish Semester 1: Life at Home

Knowledge:

- * Talking about where you live and describing your house using a range of adjectives
- * Describing the rooms in your house and saying what furniture there is
- * Saying which activities you like to do at home
- * Saying where things are located using prepositions of place

Skills:

- * Making comparisons between houses and different places
- * Comparing English to Spanish (cognates and semi-cognates)
- * Manipulating Spanish to personalise own use of language

Indicators of Expected Progress:

MEG 2:

- * I can give basic information about where I live and use some adjectives to describe my house
- * I can describe the rooms in my house using simple structures and language
- * I can say what I like to do at home with a moderate degree of success using simple verbs
- * I am able to say where some things are located in my house
- * I am beginning to apply the grammar I have learnt to my language production but I still need support

MEG 5:

- * I can give a variety of information about where I live and use most adjectives I have learnt to describe my house in some way
- * I can describe most of the rooms in my house using more complex structures and a wider range of vocabulary
- * I can say what I like to do at home with a good degree of success using a range of verbs and negative structures
- * I am able to say where most things are located in my house with success

* I am able to apply the grammar I have learnt to my language production with some success

MEG 8:

* I can give a wide range of information about where I live and use all adjectives I have learnt to describe my house and other peoples'

* I can describe all of the rooms in my house using complex structures and a wide range of vocabulary in detail

* I can say what I like to do at home with an excellent degree of success using a range of verbs, negative structures and connective languages to extend my sentences

* I am able to say where all things are located in my house with ease

* I am able to apply the grammar I have learnt to my language production with a very high level of success
