

Year 9 Spanish Semester 1: Daily Routine

Knowledge:

- * Talking about your daily routine and saying what you do during the week and at the weekend
- * Saying which food and drink items you consume during the week
- * Using the present tense accurately to say what you do during the week
- * Forming both reflexive and radical changing verbs accurately

Skills:

- * Comparing how your routine may differ during the week and at the weekend
- * Learning how to describe a photo in line with the new GCSE
- * Learning how to respond to prompts written in Spanish as part of the new GCSE

Indicators of Expected Progress:

MEG 2:

- * I can give basic information about my daily routine using verbs and times correctly
- * I can say what I eat and drink usually using basic verb forms and vocabulary
- * I can use the basic present tense well in the first person
- * I can form some reflexive and radical changing verbs with a varying degree of success
- * I am beginning to apply the grammar I have learnt to my production of language but I still need a lot of support to be able to do this

MEG 5:

- * I can give more extended information about my daily routine using lots of verbs and time indicators correctly
- * I can give some details of what I like to eat and drink usually using different verb forms and more sophisticated vocabulary
- * I can use the basic present tense well in the first person and I am beginning to use other parts of the verb
- * I can form reflexive and radical changing verbs well to say what I want to say in my speaking and writing

* I am able to apply the grammar I have learnt to my production of language with some guidance still needed.

MEG 8:

* I can give a wide range of information about my daily routine using all the verbs and time indicators I have learnt correctly

* I can give a range of details about what I like to eat and drink using different verb forms and more sophisticated vocabulary

* I can use the basic present tense with ease in the first person and I am beginning to use other parts of the verb successfully

* I can form reflexive and radical changing verbs well to say what I want to say in my speaking and writing

* I am able to apply the grammar I have learnt to my production of language with high levels of success
