Every student will require only ONE pair of studded footwear that must follow the guidelines shown. The boots will be used for grass pitch and 3G usage, often known as 'firm ground boots' and not 'astro turf boots'.

The appropriate footwear is readily available from online sports retailers, costing – in most cases – under £20.

Alternatively, there are several sports shops in Plymouth, Saltash and Ivybridge if you would prefer to try your boots on before you buy.

Footwear should always be clean and in good condition.

Please note, due to the wide variety of activities experienced in PE, your son/daughter will often be taught outside. In colder months we advise parents/carers provide additional items of clothing to be worn under the PE kit so that students are comfortable in their environment. Students are not permitted to wear coats. Further guidance will be given in PE lessons.
