The Colour Spectrum Challenge

This week's challenge is to create a piece of artwork that includes all seven colours of the colour spectrum. The colours are: Red, Orange, Yellow, Green, Blue, Indigo and Violet. You may have already created a rainbow design in support of the NHS so we would love to see that, or you could draw or paint anything of your choice using the rainbow colour scheme. Perhaps you could sew, knit or crochet something? You might want to create a collage or make a creative colour wheel out of objects around your home or build something 3D....

All Year 6 students are encouraged to participate and enter.

There will be a 1st, 2nd and 3rd chosen and announced in the next newsletter.

Entries can be emailed to romanskim@plympton.academy

Remember to include your name and school.

Deadline for entries is Thursday 18th June 2020 at 5pm. Good Luck!

Literacy Lockdown Challenge : The Covid Chronicles

The Chronicles

We are compiling a collection of writing which explores Year 6 students' experiences during the Coronavirus crisis.

We would love you to write a poem, a diary entry, a report, a letter... absolutely anything which tells the reader what lockdown has been like for you.

In September we will publish these pieces as a volume of work.

Deadline: Friday 17th July 2020
