Dear Parent / Carer

We are delighted that your son/daughter has been offered a place at Plympton Academy for September 2020.

At Plympton Academy we offer a comprehensive transition programme to help your child make a smooth transfer from primary to secondary education. This will include your son/daughter spending three days at Plympton Academy towards the end of the summer term; a welcome evening for parents; opportunities to try on and buy academy uniform; and a visit to your son/daughter's primary school by a member of the transition team. Please find below a list of key transition dates for your diary:

- **Monday 27th April and Tuesday 5th May, 300 - 7.00pm: Uniform Events**
An opportunity to try on and order / buy new uniform at Plympton Academy.
- **June: Primary School Visits**
A member of the transition team will visit your son/daughter at their primary school to meet with them and their class teacher.
- **Wednesday 8th - Friday 10th July: Students' Induction Days**
All students are invited to spend three days at Plympton Academy. The students will follow part of their new timetable, meet their new tutor, and participate in an academy-wide event. Students should wear their primary school uniform.
- **Thursday 9th July: Parents' Welcome Evening**
Parents and students are invited to attend an information evening at Plympton Academy, where you will meet your son/daughter's tutor and other key members of staff.

This will be the sixth year we are running the Year 7 residential trip to Bude for all students. This is a fabulous opportunity for your child to get to know other students in their year group and develop new friendships, as well as participate in a range of outdoor activities. The residential is taking place Tuesday 3rd - Thursday 5th November, and it will involve students being away from home for two nights.

More details regarding the residential, uniform requirements and the induction days will be sent to you shortly in our comprehensive welcome pack. In the meantime, if you have any questions or would like to speak to a member of the transition team, please contact Sarah Glover (Assistant Principal) either via the main academy telephone number (see top of letter) or email (glovers@plympton.academy).

We look forward to working alongside you and your son/daughter.

Yours faithfully

S. Glover
