

Schools Guide

Thank you for expressing an interest in the 'Which Way?' careers fair. We are very excited for you to join us.

What is the careers fair?

Aimed at Years 7-13, the event will connect young people with local and national employers together with further and higher education providers across Devon, Somerset, Plymouth and Torbay, broadening horizons and raising aspirations through career-related learning.

The 3-day event, taking place on the **27th, 28th and 29th April**, including an evening session, will involve a virtual exhibition as well as 6 live sessions, including opportunities for Q&A and meaningful interactions with employers to support you with meeting Gatsby Benchmarks 5 and 7 primarily.

What can I access as part of the event?

Your ticket will provide you with access to the full event over the three days. This will include access to all live sessions, as well as a range of downloadable resources available both during the lead up to the event and on the event days.

We know time is precious, so we do not expect you to attend all three days! Each day will focus on different year groups.

As a minimum, we recommend you allocate a morning or an afternoon to access the event, allowing 1-2 hours for your students to explore the fair and 1 hour to take part in a live session.

The virtual 'stands', and their accompanying activities and resources, will be available all day.

Please see details of the live sessions below:
