Dear Student

We are looking forward to welcoming you back to 6th Form @PA on Friday 4th September with arrival from 08:30 - 08:35. We hope that you have enjoyed a restful summer and that you are feeling excited about returning to your studies.

On the morning of the 4th you should please enter the site through the Performing Arts Gates. From here you will be directed to the Theatre. During the day you will spend time with your tutor being introduced to life in the Sixth Form. As such, you should arrive with the necessary writing equipment and your own note taking paper. We will be unable to loan equipment due to the Covid measures which are in place.

As a Sixth Form student you are encouraged to bring your own laptop/chrome book to facilitate your studies. You will be given access to the free WiFi on site to help you access learning during and between lessons. If you do choose to bring your own device, you do so at your own risk and so we encourage you to ensure you have the correct insurance in place.

We have provided you with both break and lunch on the 4th of September, however you may wish to bring additional food with you or to leave the site during break and lunch. As a reminder, we have a standard of dress which is required of all our students; as such students should ensure they are comfortable, clean and covered. There should be no exposed midriffs, tops should not be of a revealing nature and skirts and shorts should be of a suitable length for school.

We are very excited about embarking on the next stage of your education with you; it is a chance for us to collaborate to help you discover your future.

Should you have any questions in advance of the 4th, please do not hesitate to contact me.

Yours faithfully

Mrs Katie Kerr
