Dear Parent/Carer

We are writing to inform you of some of the PSHE content which will be covered over the next 10 weeks with Year 13 students during their tutor sessions. As part of these sessions students will cover topics such as:

- Consent including the legal, social and emotional responsibilities
- Healthy relationships including recognising unhealthy relationships, coercion and how to seek support
- Contraception and sexual health
- Planning for parenthood
- Harassment including online and stalking
- Gang behaviours and dangers

Students will have the opportunity to explore such issues through educational videos, discussions and exploration of news reports. Given the sensitive nature of the content, we will frequently remind pupils of where and how to seek further support with any of the issues raised.

For further information on the Post 16 PSHE curriculum, do please see the PSHE association website. <https://www.pshe-association.org.uk/curriculum-and-resources/curriculum>

Should you have any questions, please do not hesitate to contact a member of the sixth form team.

Yours faithfully

K. Kerr
