### Covid Manager Demo Secondary School

## NHS Test and Trace

#### Covid Testing

**HOW TO DO YOUR TEST**

1. Wash your hands thoroughly with soap and water for at least 20 seconds before you start the test.

2. Apply the swab to the inside of your nostrils and rotate it for 10-15 seconds.

3. Spit into the container and dispose of the swab in the bin.

4. Wash your hands again with soap and water for at least 20 seconds.

5. Wait for the results to be sent to your phone via text message.

6. If you receive a positive result, you should self-isolate and follow the advice of your local health authority.

7. If you receive a negative result, you can return to school.

8. If you are unsure what to do, contact your school or the NHS Test and Trace helpline.

**Age given: 12-18**

Along with the other protective measures we are taking, these tests will help staff and pupils to remain in school safely. Up to one third of people who have coronavirus experience no symptoms. By testing we will help to stop the virus spread and help to keep our school open as safely as possible. The test is voluntary, but I would encourage everyone to take it.

## Login and fill out your consent form

Login using your details at  
[portal.schoolscreener.com](https://portal.schoolscreener.com)

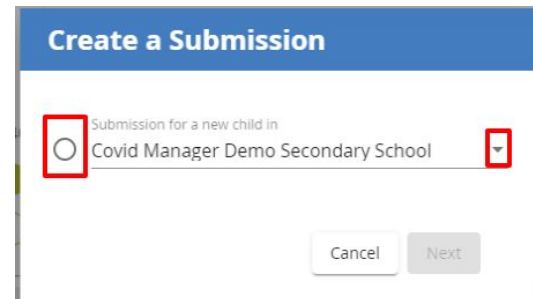

The login form features the NHS School Screener logo at the top. Below the logo, the word "Login" is centered. There are two input fields: "Email address" with the text "kate+covidparent2@schoolscreener.com" and "Password" with a masked password "\*\*\*\*\*". A "Forgot your password?" link is located below the password field. A blue "LOGIN" button is at the bottom.

Click on fill in the  
questionnaire  
form

The "Submissions" section shows a "Covid Testing" campaign. The details include: Campaign by: COVID MANAGER FOR SCHOOLS; Status: New; Child: Not Selected; Audience: 12-18. A description states: "Asymptomatic testing in schools and colleges Secondary school are now required to carry out Covid 19 testing". The last updated time is 06/01/2021 11:40. A red box highlights the "Fill in the questionnaire form" button, and another red box highlights the "Add another child" button.

Click the circle next to  
the school and select  
next. If the correct  
school is not shown  
use the drop down to  
search for the correct  
school

The "Create a Submission" form shows a radio button next to the text "Submission for a new child in Covid Manager Demo Secondary School". A red box highlights the radio button, and another red box highlights the dropdown arrow on the right. "Cancel" and "Next" buttons are at the bottom right.

## Filling in the form

- Fill in your child's details
- Click Save & Continue
- Read the information provided
- Indicate your consent
- Click 'Submit'

**Covid Testing**  
Covid Manager Demo Secondary School

**Introduction**  
This section explains the purpose and process of requesting consent for Covid-19 testing.

**Purpose**  
This common consent form has been designed for use by parents and guardians of pupils under 16, pupils and students over 16 and staff. \* For pupils and students younger than 16 years - this form must be completed by the parent or legal guardian. Please complete one consent form for each child you wish to enrol. \* Pupils and students over 16 can complete this form themselves, having discussed participation with their parent / guardian if under 18. \* Staff will complete this form themselves.

**Consent statement. Please read and indicate your consent below.**

I have had the opportunity to consider the information provided by the school/college about the testing, ask questions and have had these answered satisfactorily, based on the information presented.

In the case of under 16s, I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so, and consent can be withdrawn at any time ahead of the test.

I consent that I / they will need to self-isolate following a positive lateral flow test result, until the results of the confirmatory PCR have been received.

I agree that if my / my child's test results are confirmed to be positive from this PCR test, I will report this to the school / college and I understand that if my child will be required to self-isolate following public health advice.

I consent that if a close contact of my child tests positive, but I / my child has tested negative, I / they will continue to attend school / college but will be tested every day at school / college for 7 days

**Indicate consent**

Yes, I consent to testing

No, I don't consent to testing

**Name (required)**

Cancel I want to Save and Continue Later **Submit**
