

# Extra-Curricular Activities April - June 2021

# Extra-Curricular Activities April - June 2021

Dear students, parents and carers,

We are pleased to inform you of our extra-curricular offer for April - June. Working within the current educational guidelines, we are able to offer a range of activities that will take place at lunchtimes and after school, as per the timetable attached.

Lunchtime activities will run from 13:00 until 13:40, and students should make sure that they have the correct equipment with them if they wish to take part (for example 3G boots and shin pads for football). Where activities take place outside of the year group zone (for example football for Years 7 and 8, table tennis for Year 9), students should wait in the outside area of their zone for the lead member of staff who will then escort them to / from the activity's location.

The majority of after school sessions will run until 16:00 in the year group zones, although all Performing Arts based activities will run until 4:30. If the activity has a later finish time, this will be communicated separately by the lead member of staff. Again, for sporting activities, students will need to make sure they have the correct equipment in order to take part. For students who wish to participate in the online chess club, they will need to use the link shared via ClassCharts announcements to be able to take part. When an afterschool activity is unable to take place, the lead member of staff will let students and parents know as soon as possible.

The attached timetable will run until the end of June and we hope that we will be able to update it again when the guidance is updated in June.

If you have any questions about an activity, please contact the lead member of staff in the first instance.

I hope that our students make the most of the opportunities that are available to them. We always welcome new ideas for the extra-curricular programme and they should be shared with form tutors initially, who will then pass them onto myself.

Yours sincerely,

Mr Ian Hartley  
Assistant Principal

# An introduction from Mr Taylor

Dear students, parents and carers,

Thank you for looking at the wide variety of clubs we have on offer at the academy during this summer term. As you are all aware this past year has been particularly difficult and we are as motivated as ever to provide you with some fun, active opportunities both at lunchtime and after school. In a 'normal' school year we work hard with Plymouth Schools Sport Partnership and access nearly 200 competitive games and fixtures in various sports over the year. However, this year all schools are still unable to play inter-school fixtures across the city BUT we are desperately working on this format so that we get to play some fixtures after May half term. This means that for the rest of this year we will continue to offer a wide range of clubs known as year group specific 'Sports Nights' rather than being sport specific clubs which would link to the seasonal sports that feature in our citywide competitions. This means that we can cover a wider range of fun and engaging activities which you can all try, enjoy and have fun at. Typically the sports we will be taking part in at this terms year group specific 'Sports Nights' will be;

Rounders / Softball / Baseball; Athletics, TAG Rugby, Cricket, Fitness Suite, Mountain Biking, Tennis , Ultimate Frisbee, Tchoukball, Dodgeball, Football and Netball

Please also remember that Specific Sport lunchtime clubs are still available and feature Football, Basketball, Fitness Suite and Table Tennis. We'd can't wait to see you all there.

Many thanks,

Mr Taylor and the PE team.
