Charity of the Year 2021-2022: RNLI

Dear Student and Parent / Guardian,

I am pleased to announce that the Royal National Lifeboat Institution (RNLI) has been chosen as the fourth Plympton Academy charity of the year, following on from St Lukes Hospice, Crohns and Colitis UK and Young Minds.

To launch our charity fundraising, on Friday 3rd October we will be holding a voluntary non-uniform day with students able to wear non-uniform in return for a donation of £1. Donations will be collected during afternoon tutorial and, where possible, students should bring the exact change. If non-uniform is being worn, it should be appropriate clothing to wear in a school i.e. of an appropriate length, bellies should be covered and no unsuitable slogans should be seen. Students who have Dance, PE or BTEC Sport should ensure that they are wearing appropriate clothes so that they can participate in those lessons. Students should make sure that they have the correct equipment for the day, including conduct cards.

Year groups will also be organising their own fundraising activities throughout the year and more details will be provided about these soon.

All students and staff have been challenged to organise their own fundraising activities to support the RNLI and during the 'End of Year' celebration assembly in July, prizes will be awarded to the individual in each year group, the tutor group, and the member of staff who has raised the most money. We will keep you up to date about all of the activities and the money raised via our website, newsletter and social media channels.

Yours faithfully,

Mr Ian Hartley
Assistant Principal

A company limited by guarantee, registered in England and Wales, number 7561356
An exempt charity.
