- Most Plymouth Schools and Academies have pooled their grants and, alongside Plymouth City Council, have designed a collaborative scheme

- All five providers will also give a bursary award of £1,200 to young people in care and care leavers, as it is statutory.

How do young people in care and care leavers apply for their bursary?

- A simple application form was available from the Head of Sixth-Form in September. This needs to be completed and returned to the Local Authority via the sixth form (for the collaborative scheme)

How will young people in care and care leavers receive their Bursary?

- In the collaborative scheme, payments will be made to students monthly in arrears by BACS

Do young people in care and care leavers automatically receive their bursary once they have applied?
