

Summer Work Year 11 into 12

Name of Subject: Fine Art

Summary of the course:

Exam Board: AQA

Course Title: Fine Art A Level

Subject/unit lead teachers and their contact:

Mrs M Romanski – maria.romanski@plymptonacademy.tsat.uk

Miss D Hawkshaw – donna.hawkshaw@plymptonacademy.tsat.uk

What should I get in preparation for September?

Please complete the Summer task as detailed in the 'Do it' section below. You will need to collect an A6 sketchbook from Miss Hawkshaw in Art 2 or provide your own. You will use a range of art materials to complete this task. Be resourceful and creative with what you have.

It would be a good idea to start to build a selection of art materials and resources at home, such as drawing pencils, fine black pens, watercolour paints, brushes, glue, scissors, collage materials, oil and chalk pastels and charcoal sticks. You may have many of these things already which is fantastic and whilst it is not essential to have these materials at home, it is advantageous. You will be able to purchase some of these things from us, however, you may find better deals and quality products on-line.

How will this be assessed in September?

You will be expected to bring your A6 sketchbook/journal with you to your first Fine Art lesson when we return to school in September. You will be given feedback in relation to the assessment objectives.
