The Living World

Hot Deserts

Revision Boost

Interactive Revision

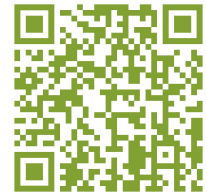

Check out the interactive flashcards, multiple-choice quizzes and short answer questions on internetgeography.net

After you've completed each section of this booklet go to tinyurl.com/ecorevi and complete the interactive revision activities for each section.

Hot Deserts

Define:

Hot Desert

Arid

Appropriate technology

Describe the main characteristics of hot deserts

Climate

Landscape

Define:

Biodiversity

Desertification

Mineral extraction

Vegetation

Soils

Define:

Over cultivation

Over grazing

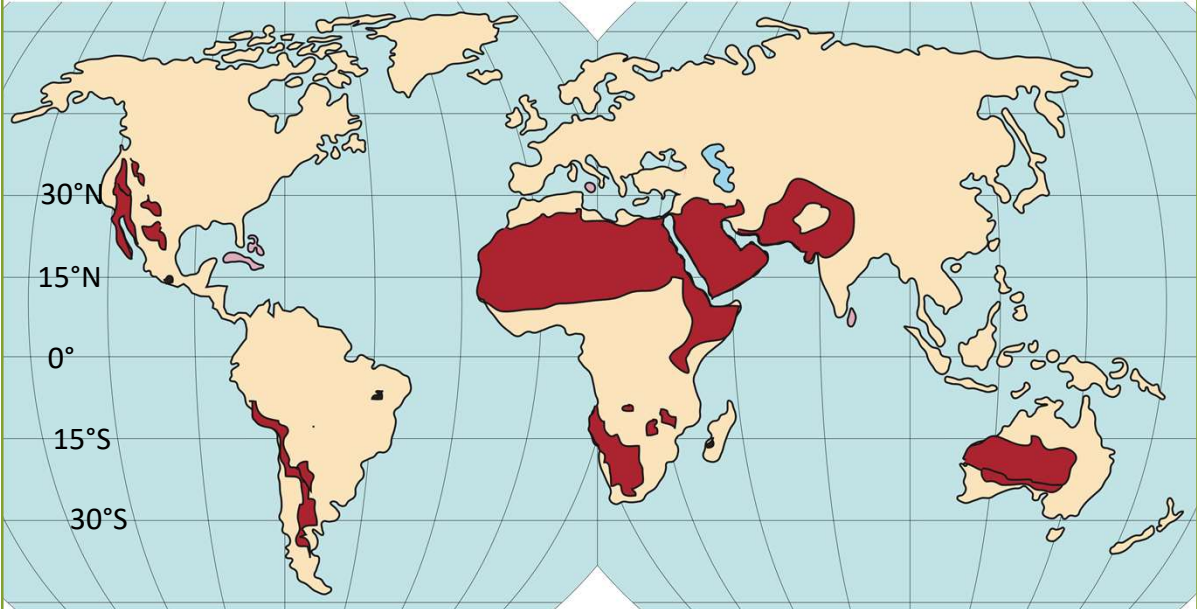

Animals

Hot Deserts

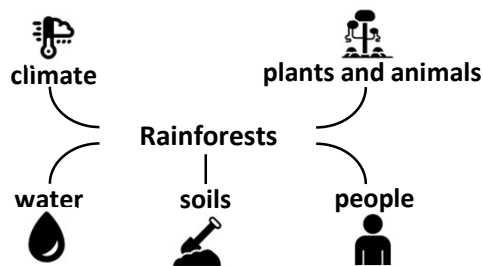

Describe the distribution of hot deserts.

-
-
-

Complete the mind map below to summarise the physical characteristics of hot deserts.

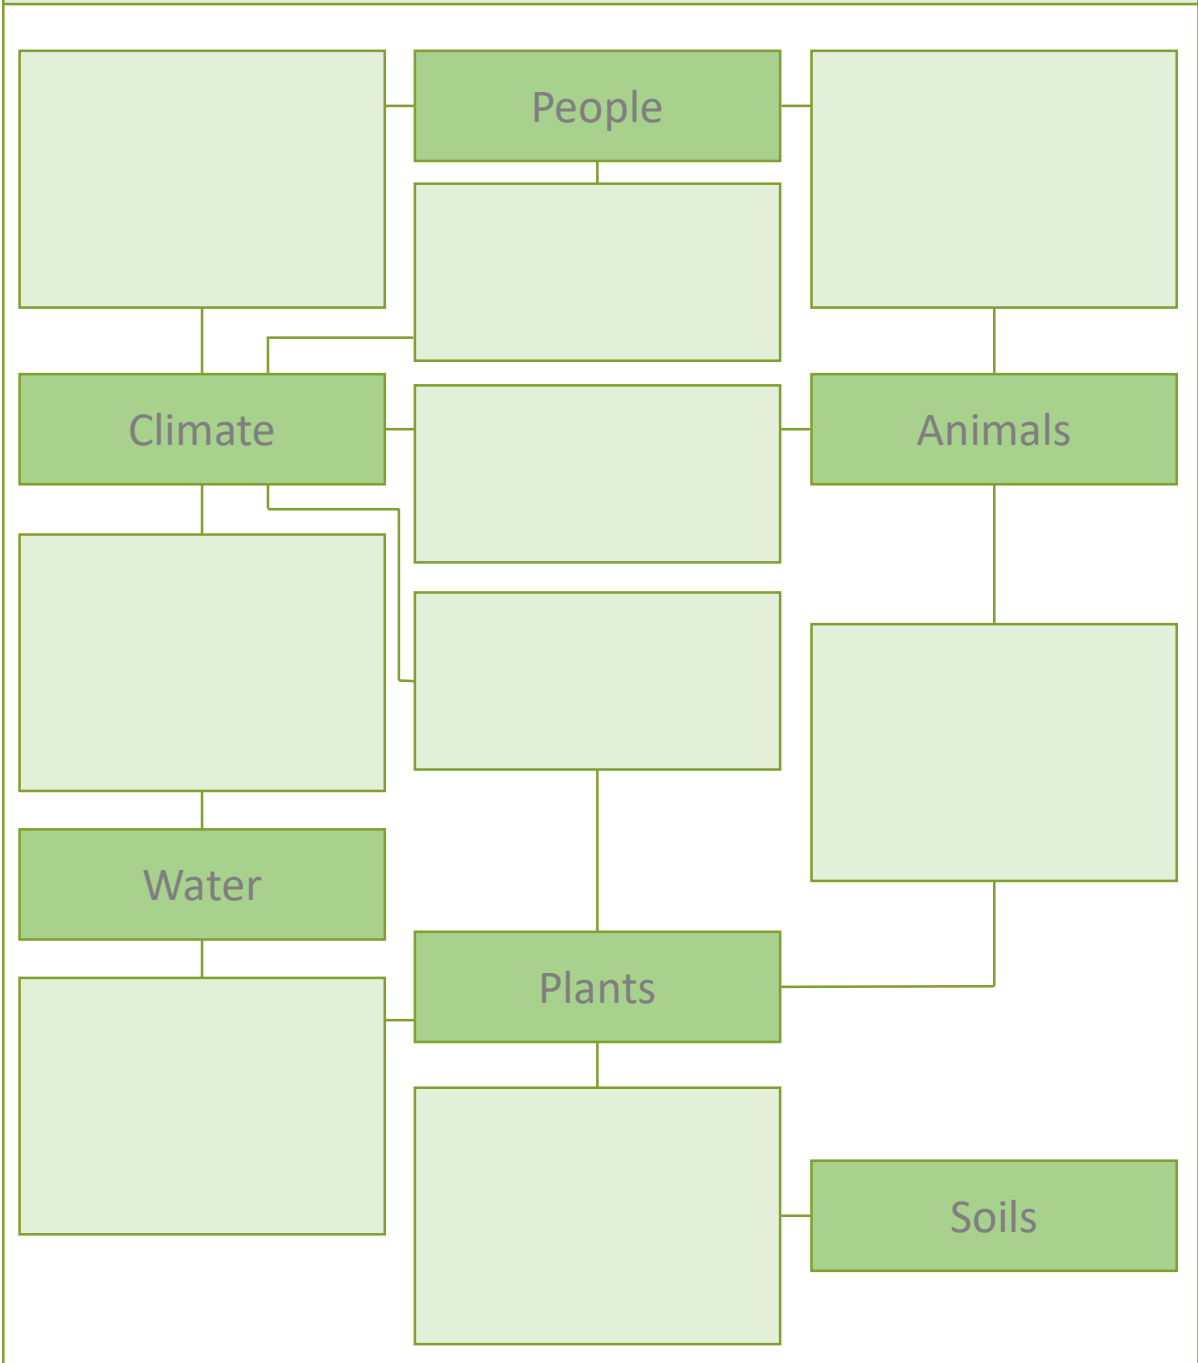

Interdependence

What is meant by interdependence in hot deserts?

Complete the diagram below to show how hot deserts are interdependent.

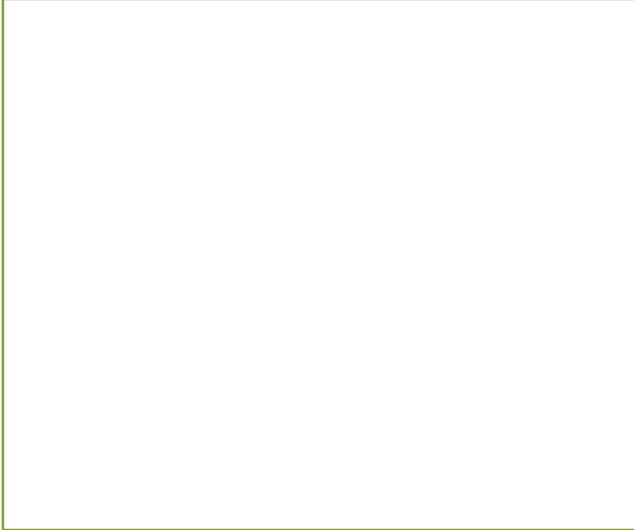

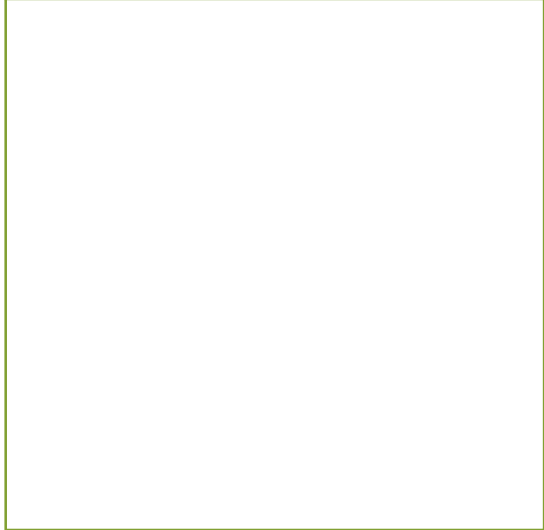

Hot Deserts

Annotate the diagram below to explain how camels have adapted to hot deserts.

Explain how an animal of your choice has adapted to hot deserts.

Annotate the diagram below to explain how vegetation has adapted to the hot desert environment.

Biodiversity

Define:

Biodiversity

Interdependence

Adaptations

How biodiverse are hot deserts?

Explain biodiversity in hot deserts.

Complete the spider diagram below to show the threats to biodiversity.

What are the threats to biodiversity?

Opportunities and Challenges for Development

Complete the overview for a case study you have studied.

Hot Desert Case Study: _____

Opportunities

Challenges

Water Supply

Inaccessibility

Extreme Temperatures

Desertification

Define:

Desertification

Overgrazing

Over-cultivation

Describe the location of areas at risk of desertification

Complete the spider diagram to show explain the causes of desertification.
