

Clubs & Activities

TERM 1 AND 2

EXTRA CURRICULAR PROGRAMME

SEPTEMBER - DECEMBER

We are proud to launch our extra-curricular programme from September – December. We have a huge range of activities on offer across all year groups. So if you fancy learning Japanese or Sign Language; being part of a choir or playing a wide variety of sports, there is something for everyone. Taking part in our extra-curricular activities encompasses our values of curiosity, courage and community – where you have the opportunity to learn new skills and make new friends across the different year groups.

The activities are colour coded:

Quiet reading / study in the LRC
Learning or developing a new skill and subject based sessions.
Sport
Music and Performing Arts

Please ask the lead member of staff for more information about each session and to find out if you need any equipment / resources with you.

Please be aware that sometimes sessions will need to be cancelled if a member of staff is absent or due to external fixtures / weather conditions (Sport based sessions) – we will try to share this information as soon as possible.

The Performing Arts team will share their schedule of rehearsals for our Academy production separately.
