Clubs and Activities Timetable

EXPAND YOUR WORLD

Part of the Thinking Schools Academy Trust

Why Enrichment Matters

Enrichment is a core part of the Plympton Academy learning journey, not an optional extra. Taking part in clubs, activities and wider opportunities beyond the classroom builds confidence, character and a genuine sense of belonging — the very things that help students thrive both in school and beyond it.

In line with the DfE Enrichment Framework (June 2026), every student should have access to rich, structured enrichment activity that broadens their horizons, develops new skills and strengthens their cultural capital. This booklet brings together the Term 1 and Term 2 clubs on offer, so students can find something new to try, and staff and families can see at a glance what's happening and when.

Every activity a student attends can be logged in their Enrichment Passport, working towards a Bronze, Silver or Gold award across the year. Trying something unfamiliar, sticking with a challenge, or simply having fun with friends who share an interest — it all counts.

Our enrichment offer is built around our four core values:

COMMUNITY Belonging to something bigger — civic responsibility and connection.	COMPASSION Caring for ourselves and others, and supporting our peers.	COURAGE Facing new challenges and stepping outside our comfort zone.	CURIOSITY Asking questions and exploring the world around us.
--	---	--	---

How to use this booklet

The pages that follow list every Term 1 and Term 2 club, with its day, time, location, staff lead and a short description of the activity and the academy value it best reflects.

All clubs and activities run on a weekly basis apart from Warhammer, which is fortnightly.

Don't forget to sign in to each one, as you will receive house points and certificates based on the number of different activities you take part in and hours completed across the year.

Level	Requirements	Reward
Bronze	You have participated in at least 5 hours of enrichment across at least 3 different activities.	Bronze certificate 10 House points
Silver	You have participated in 15 hours of enrichment across at least 5 different activities.	Silver certificate 25 House points
Gold	You have participated in 30 hours of enrichment across at least 10 different activities.	Gold certificate 50 House points

Monday

Time / Session	Activity	Year Group(s)	Room	Staff Lead	Enrichment Benchmark / Academy Value	About this activity
